CHANGE: To give a radically different position, course, or direction. Changes can be difficult--especially when they are unexpected. Stephen Ministers are trained to help people learn to cope with the changes that have happened in their lives. If you have experienced great changes or know someone who has and would like to learn more about Stephen Ministry, speak to our pastors or call Referrals Coordinator Sheila Van Dyke 215-8738.

Salt and Pepper Dinner Groups

 When attending the 9:00 or 11:00 service, it's often difficult to get to know members that attend the other service. This is one of the reasons we have **Salt & Pepper Dinner Groups**. You get to know members you may have only spoken a "Good Morning" to

in the past. This is how it works: Each Fall we begin a new year and continue into the Summer. After you indicate that you would like to be a part of **S & P**, we group four couples together to meet **just** 4 times during the church year. Each couple will host a dinner—you decide the entrée and the others in the group will bring other items. One thing to keep in mind, you do not have to be a married couple to enjoy **S & P**. There are quite a few friends that have decided to be a "couple". I cannot speak highly enough about this group and what it means to our church. Please think about it. Call me with any questions or if you would like to join. Pam Hylton—295-2896.
